

Kristi Parker is a Physician Assistant that graduated from the University of Oklahoma in 2004. Prior to that she graduated from Oklahoma Baptist University with her bachelor's in psychology. Kristi has always been intrigued by how the mind works. More importantly, she loves people. Knowing from a young age that she wanted to be in service to others.

Building relationships with patients is one of the blessings of working in the medical field. Kristi practices a patient centered approach to medicine. Discussing alternatives in treatment and allowing the patient to consider options.

In her free time, Kristi, loves travel. Her husband and daughters are the greatest joys in her life. They have traveled across Europe and throughout the continental U.S., Hawaii and Alaska. They have a special affinity for cruises. In addition to her family, she enjoys spending time with her dogs.
